Gift Catalogue

The logo features the word "Starlinks" in a large, ornate, gold-colored serif font. A small star is positioned above the letter 'i'. Below the main text, the words "Enchanted Jewelry & Gifts" are written in a smaller, similar font. The entire logo is framed by a highly detailed, ornate border in shades of gold and brown, featuring intricate scrollwork and a dragon-like creature at the top right. The background of the page is a light, textured surface with faint, repeating patterns of stars and text.

Children of The Night

by Briar

Through the shadows in secret places, we move silently – the invisible, the stealthy – our power cloaked in darkness and sheathed like a dagger. We dwell in eternity and are everywhere; forever your Dark Servants. We are the Children of the Night. Superbly crafted and accented with gold/silver plating, enamelling and crystals. Supplied with chain, full descriptive leaflet and red satin gift pouch.

GODDESS COINS

From the depths of history to this very day, goddesses are considered sacred and are worshipped as the matrix of creation. Amongst the goddesses of old, creation, fertility and re-birth are prevalent themes. In turn, each double-sided pendant from the 'Goddess Coins' collection has been designed to give its wearer a feeling of connection to the immense power and sacred feminine energy that its goddess evokes.

Hengebands

The magic circle has been used for thousands of years to capture energy, form a holy space and provide magical protection. Hengebands are much more than just a fashion declaration. They allow you to create in your mind's eye a circle of energy around you and awareness of this circle will allow you to centre yourself. These can be worn around the forehead, as a choker, upper armband or garter and by focussing on the individual symbol you can channel the energy you wish to receive.

Knights Templar

The Knights Templar captured fame and fortune during medieval times and lived to the highest principles of the Middle Ages in regards to bravery and chivalry. These warrior monks possessed an appetite for knowledge that reached from Pagan and Magick across a broad range of religions. Known for both worldly treasure and esoteric knowledge, the Templar mythos transcends time and space to energise these compelling symbols.

Mystic Kabbalah

Kabbalah is often referred to as the Soul of the Torah due to its deep esoteric roots and classic ciphers.

Reaching the height of its influence in the later Middle Ages, it is still widely regarded as the most Magickal insight into the essence of Creation. This range explores and pays homage to the symbols and cosmology behind the ancient Jewish tradition of mystical interpretation of the Bible and is lovingly crafted with plating and man-made stunning crystals.

Voodoo Charms

Voodoo, an ancient practice of Magick with thousands of secret followers, can be harnessed as a positive Magick for positive energy. It is a very powerful and effective method of achieving specific goals and as such has become a widely recognised mystical art. These 12 charms are crafted from brass and copper and come supplied on a black cord.. Detailed leaflets are provided to describe their meaning and ritual instructions.
